

Earth Canvas is a project  
**Linking Artist with Regenerative  
Farmers to create a better future**

6 artists and 6 Regenerative farmers will work together and produce a body of Artworks to be displayed at the November 2019 Open Days on farms on the SW Slopes between the Murray and Murrumbidgee Rivers.

Talk to Artists, Farmers, Scientists and Educators about their view of the landscape, producing food and building healthy ecosystems.

- ~ The Artist Eye Revealing Earths Ecosystems
- ~ Why We live where we live
- ~ Honouring Trees
- ~ Simplicity is Complexity resolved
- ~ Connecting Energy with the Elements Earth, Wind, Fire and Water.

Artists at Open Days will be John Wolseley, Idris Murphy, Jenny Bell, Rosalind Atkins, Janet Laurence, Jo Davenport & Tony Nott.

*“Regenerative Agriculture is more than sustaining something but actively rebuilding or regeneration of existing systems towards full health.”*  
Quote Charles Massy Call of the Reed Warbler 2017

Artists on  
Regenerative Farms

# OPEN DAYS

## NOVEMBER 2019

An opportunity to visit working farms and to see the landscape from the artists perspective.

See how farms are building ecosystems to produce healthy food.

  
**Earth Canvas**  
Art in Ag

## John Wolseley at Bibbaringa

1268 Wymah Rd Bowna NSW  
(45kms from Albury)

Bibbaringa Ecological Beef farm using trees, slowing the flow of water in the landscape & building biodiversity with strategic planning. Landscape artists John Wolseley will display art works from his experience on Bibbaringa Regenerative farm.

SAT  
9  
NOV

## Jenny Bell at Mt Narra Narra

1854 Jingellic Road, Holbrook NSW  
(18.5km from Holbrook)

Large scale Beef Cattle Farm. View a herd of Hereford cattle with Artist Jenny Bell. Jenny and farmers Michael and Anna Coughlan have refined their art of farming & art to "simplicity is complexity resolved."

SAT  
16  
NOV

## Janet Laurence at Yabtree West

701 Yabtree Road, Mundarlo NSW

Honouring Trees along the 6km of Murrumbidgee River frontage will be part of Yabtree West Open Day. Rebecca Gorman and John Sevier with Internationally acclaimed artist Janet Laurence will share a piece of paradise and their mutual respect for the natural environment.

SAT  
30  
NOV

## Idris Murphy at Eurimbla

148 Rodgers Road, East Gerogery

On the Western slopes of Tabletop mountain, Ian & Jill Coghlan will talk about production and building positive environmental outcomes. Artist Idris Murphy articulates both verbally and visually through his artwork of vibrant colours how he sees the landscape.

SUN  
10  
NOV

## Rosalind Atkins at Yammacoona

Little Billabong Road, Little Billabong via Holbrook. Meet at Little Billabong Hall.

Regenerative farmers Bill & Joy Wearn will talk about "Why they live where they live" with artist Printmaker Rosalind Atkins. Rosalind is obsessed by trees and says "trees in the landscape are the memory and document history. We need more respect for the biggest organism on the planet."

SUN  
17  
NOV

## Jo Davenport at Mundarlo

2090 Old Hume Hwy, Mundarlo NSW.  
Meet at St Peters Church, 2150 Old Hume Hwy.

Connecting Energy with the Elements. Nick & Deanne Austin will share how they have changed farming practices after droughts and floods. The work of artist Jo Davenport expresses the allure of the moment in the natural world that creates a feeling of wonder.
