EARTH CANVAS

Earth Canvas is about reconnecting people with the farming landscape and using the eye of the artist to express what they see. It is about empowering people to be part of the solution to make planet earth a better place.

THE FARM YABTREE WEST

"Yabtree West is a beautiful Riverina property meandering along the Murrumbidgee River. The property is a showcase of majesty and resilience of Australia's landscape with 6 km of Murrumbidgee frontage. The old River Red Gum trees line the river banks and Box Trees and Kurrajong show their resilience to the changing conditions." Owners Rebecca Gorman and John Sevier

JANET LAURENCE

Janet's work during the Yabtree West residency will be on display. Janet has put trees and the plight of nature at the heart of her life's work. She expresses the fragility of nature in her art practice.

At 10am the Open Day starts looking at the farm, soil and ecology work along the river bend. Be inspired by Janet's passion and work for nature.

An optional guided walk will begin at 5.30am Saturday November 30. The dawn walk with Ecologist David Watson – Associate Professor of Ecology at Charles Sturt University. Enjoy the spectacular dawn views of the Mundarlo valley.

Accommodation Camping

You can camp on the river or stay in Gundagai for a day of tree immersion and discussion of regenerative agriculture.
