Earth Canvas is about reconnecting people with the farming landscape and using the eye of the artist to express what they see. It is about empowering people to be part of the solution to make the planet earth a better place. Earth Canvas started with 6 leading Australian artists working on 6 regenerative farms between the Murray and Murrumbidgee Rivers on the SW slopes of NSW. The artists produced over 70 artworks now travelling to 6 regional galleries. Currently at Tamworth Regional Gallery from April 28 to June 12 2022.
