Linking Artists with Regenerative Farmers

Be inspired by the creative journey of Australia's leading contemporary artists as they interpret their experiences of regenerative farming.

This limited edition book, 68pp in full colour, links the artists' perspectives with the farmers' management of the land.

It records all 79 artworks commissioned for the Earth Canvas Exhibition by John Wolseley, Janet Laurence, Idris Murphy, Jo Davenport, Jenny Bell, Ros Atkins & Tony Nott together with a description of the Regenerative farms they worked on.

Also featured are the artists and Regenerative farmers who participated in the Earth Canvas Travelling Exhibition.
